EIN MÖBEL FÜR ALLE FÄLLE
ONE FITTING FOR ALL NEEDS

ⓓ Start-up, Pop-up, Fold-up!

Ob zur Belebung von Innenstädten durch die Füllung von Leerständen, für die temporäre Inszenierung von Saisonware in Gangbereichen oder als Messemöbel: Fold-up! macht's möglich.

Denn kein Möbel ist so flexibel wie Fold-up!. Durch die modulare Bauweise bietet es die perfekte Bühne für Produkte aller Art, unabhängig von Dimensionierung und Warengruppe.

Kombinieren Sie die Module beliebig und schaffen Sie Räume aus dem Nichts. Von Warenträgern für Fashion, Lebensmittel oder als Kassentisch sind die Möglichkeiten unbegrenzt.

Durch unterschiedliche Gestaltungsmöglichkeiten der Rahmen, wie Pulverbeschichtung oder Messing, sowie der Einlegefächer realisieren wir individuelle Lösungen für Ihre Anforderungen.

Mit unseren Fold-up! Sets bieten wir Ihnen Lösungen für die gängigsten Einsatzmöglichkeiten. Bei Bedarf können Sie aber alle Komponenten einzeln bestellen und beliebig kombinieren.

ⓔ Start-up, Pop-up, Fold-up!

Whether for the revitalisation of city centres by filling empty stands, for the temporary staging of seasonal goods in aisle areas or as exhibition furniture: Fold-up! makes it possible.

No piece of furniture is as flexible as Fold-up! Thanks to its modular design, the fitting provides the perfect stage for products of all kinds, regardless of their dimensions and product group.

Combine the modules as you like and create rooms out of nothing. The possibilities are limitless, from product racks for fashion, food or as checkout tables.

With different design options for the frames, such as powder coating or chrome, as well as the insert compartments, we realise individual solutions for your requirements.

Our Fold-up! sets offer solutions for the most common uses. If required, you can order all components separately and combine as desired.

EINFACH AUFGEBAUT SIMPLY BUILT UP

ⓓ Start-up, Pop-up, Fold-up!

Fold-up! ist zum einfachen Selbstaufbau konzipiert. Verschrauben Sie in wenigen Minuten die einzelnen Grundgerüste und legen Sie die Warenträger Ihrer Wahl ein.

Durch diese effiziente Möglichkeit können Sie flexibel auf Warendruck reagieren und die Regale bei Bedarf erweitern oder schnell wieder verstauen.

ⓔ Start-up, Pop-up, Fold-up!

Fold-up! is designed for easy self-assembly. In just a few minutes, you can screw together the individual basic frameworks and insert the shelves of your choice.

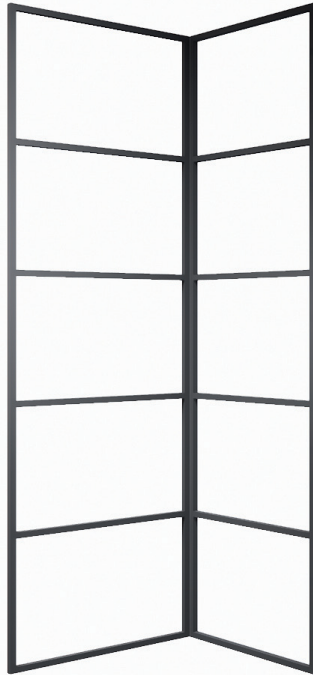

This efficient option allows you to modify to suit product pressure and expand or quickly stow the shelves as required.

1

Die Basis des Regals ist ein einfaches Grundmodul.

The base of the shelf is a simple basic module.

2

2 x Grundmodul wird verschraubt und somit zu einem System.

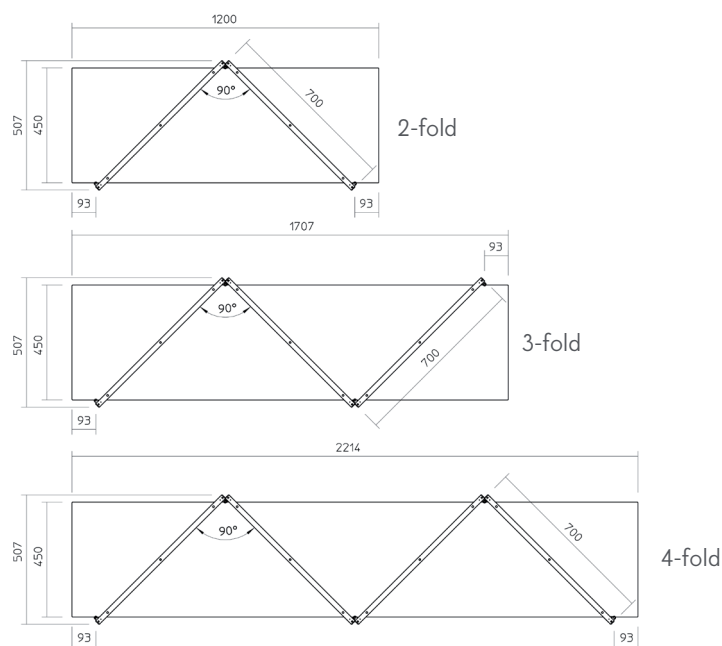

2 x basic module is screwed together and thus to a system.

3

Das System kann mit Warenträgern bzw. Add-ons adaptiert werden. Das Ergebnis ist ein fertiges Regal.

The system can be adapted with product carriers or add-ons. The result is a finished shelf.

BAUSTRUKTUR

Ein Fold-up! Regal besteht aus zwei, drei oder vier Grundmodulen. Für alle drei Kombinationen sind verschiedenste, passend dimensionierte Warenträger verfügbar. Je nach Bedarf mit Rückwand, Fachboden, Infotafel, Kleiderbügel uvm. bestückbar. Siehe Module S. 8/9

ASSEMBLY STRUCTURE

A Fold-up! shelf consists of two to four basic modules. For all three combinations, suitable shelves of various dimensions are available. As required, add-ons such as rear walls, information boards, clothes hangers and much more can be fitted. See modules pages 8/9
